RABBI'S MESSAGE

It is hard to believe! In October I will be celebrating my 10th anniversary as spiritual leader of Beth Israel Sinai. I will never forget my first interview with Temple Board Members. Many questions asked revolved around my willingness to travel bi-weekly for Hebrew School and Shabbat Services. Other questions involved what type of prayer service I would institute. Though historically a conservative synagogue, parts of the service had been eliminated. It was often difficult obtaining a minyan on Shabbat morning. What would you do, as our incoming spiritual leader, to reverse this situation?

Our ten years together shows the benefit of a team effort. We had shared the beauty of celebrating many life cycle events together; Bar Mitzvahs, Bat Mitzvahs, anniversaries, the 50th anniversary of Beth Israel Sinai's current location, my rabbinical ordination in the fall of 2006, and a celebration of the 150th year anniversary of the establishment of the Racine Jewish community. Our Hebrew School and Adult Education classes have been a great success. We have always received a proportionally greater number of religious service participants than many larger synagogues. Each and every member of our temple family deserves a "Yasher Koach" for their participation in building a religious community- our "Kehila."

But we must not be content to rest on our past notable successes. As we enter the second decade of the 21st century, we must exert even greater efforts to ensure the financial and religious continuity of our beloved temple. As an internationally non-affiliated synagogue, stressing the common bonds of all Jews, we must seek new participants with similar points of view. At Beth Israel Sinai, there are NO Orthodox, Conservative, Reconstructionist, Reform or Humanistic Jews. All points of view are welcomed and respected. We maintain a kosher kitchen so any Jew will feel comfortable eating in our temple. Interfaith families are welcomed. Our doors are warmly opened to everyone.

In the upcoming year, many events are being planned to both attract new members and spiritually enhance the lives of current members. It is imperative that you try to attend our congregational board meeting on June 13th at 4 PM so you can be a part of this epic effort.

Special thanks to Dr. Joshua Bloom who has made great strides in ensuring the viability of our temple. Josh, It has been an honor working with you. Your support has been invaluable. Also, thanks to our secretary Julie, my alter ego when I am not at the temple. Last, but not least, my thanks to our "Shamos" (caretaker) Jeff who ensures that the temple is always in working order. I look forward to continuing this special relationship with our incoming president, Jeff Collins in 5771.

See You in Shul!

Our annual meeting will be held at 4 PM on Sunday June 13, 2010. In the past year, we have had many successes. Substantial challenges persist as we try to maintain a vibrant and sustainable Jewish community in Racine.

The religious year proceeded well under Rabbi Adelberg's capable leadership. Our weekly Shabbat services have a reliable minion and often many more. All of our Holidays have been very well attended and spiritually rewarding, with true participation from all of our members. Our community wide Hanukkah dinner and Pass-over Seder were rousing successes as in prior years.

We have attracted new members, and lost others to death or distance. We once again have several children in the Hebrew School; hopefully we can increase the number and with it the vitality that only children can provide. Membership recruitment of course remains vital to our preservation.

We had moderate success last year in our appeal to former members and descendants of our founders for donations and will continue this effort to keep a strong Jewish Community in Racine.

In November 2008 we were approached by a party interested in purchasing our building. Receiving approval from the Congregation to investigate further, negotiations proceeded slowly. While the appraisal we received was consistent with the offer that was made, the board determined that it was not sufficient to proceed with discussion and have for the time being discontinued pursuing this option. While our building may be too large for our current needs and too expensive to maintain, the monies received from a sale must be sufficient to pay for rental of a smaller building and also provide endowment income to offset at least a portion of our deficits. That was not the case.

Please join me on June 13th for our annual meeting as we plan for the coming year.

Joshua Bloom
